

## LAMAR UNIVERSITY SHORT-TERM-LOAN – TUITION & FEES (CLASSES) ONLY

Year:	Indicate one: Fall Semester, Spring Semester, Summer I Term, or Summer II Term	Beaumont (main campus only)
-------	--	-----------------------------

Without fail, I promise to pay to the order of Lamar University the sum of:

\$

Payable in two equal installments due within 30 and 60 days of the start of the above indicated Semester (Fall/Spring), or payable in one installment due within 30 days of the start of the above indicated Term (Summer I, Summer II).

With an annual interest of 5% assessed *after* the due date. This amount will at least be the minimum needed to meet the State of Texas, paid-student requirements but in no case to exceed the total amount of Tuition and Fees (classes, including incidental fees) of the current semester.

A STUDENT WHO FAILS TO MAKE FULL PAYMENT OF TUITION AND FEES, INCLUDING ANY INCIDENTAL FEES, BY THE DUE DATE MAY BE PROHIBITED FROM REGISTERING FOR CLASSES UNTIL FULL PAYMENT IS MADE. A STUDENT WHO FAILS TO MAKE PAYMENT PRIOR TO THE END OF THE SEMESTER MAY BE DENIED CREDIT FOR THE WORK DONE THAT SEMESTER.

The following provisions apply to this loan:

1. The anticipation or pending receipt of financial aid in any form does not extend the due date of this note or excuse full payment of this note by the due date.
2. If the student/maker drops classes or withdraws from the University, tuition and fees may be reduced in accordance with State of Texas refund policies. If a reduction is warranted, this loan will be reduced by that amount. In any event, the student/maker is ultimately responsible for the entire loan whether or not a part of it is reduced by drop or withdrawal.
3. This obligation is considered an educational expense and must be deducted from financial aid received (as applicable) even if the due date has not yet occurred.
4. As with all other obligations to the University, past due loans are regularly submitted to collection agencies and credit bureaus. The collection agency fee is generally 33.333% of the owed amount (to be paid in addition to the amount owed to the University).
