**Parent:** After the undergraduate PLUS loan funds have been credited to your student’s account, any extra undergraduate PLUS loan funds must be distributed to you unless you provide written authorization allowing Lamar University to give the funds to your student. If you give Lamar University permission to distribute any extra undergraduate PLUS loan funds to the student, check “Yes.” If you do not give Lamar University permission to distribute any extra undergraduate PLUS loan funds to the student, check “No” and complete the address indicating where the extra undergraduate PLUS loan funds are to be sent.

The option chosen below is binding for the 2009-2010 academic year and cannot be changed until the next academic year.

- Yes**, I give permission for any extra undergraduate PLUS loan funds to be distributed to my Lamar University student.
- No**, I do not give permission for any extra undergraduate PLUS loan funds to be distributed to my Lamar University student. Send any extra undergraduate PLUS loan proceeds to the address provided to my lender on the Master Promissory Note; I realize that this will result in a paper check which may delay my refund money.
